# Complete Visibility into Your Business

Whether you just need to manage Vacation and Sick Days, or you need the full TeamWorks Platform - we've got you covered.

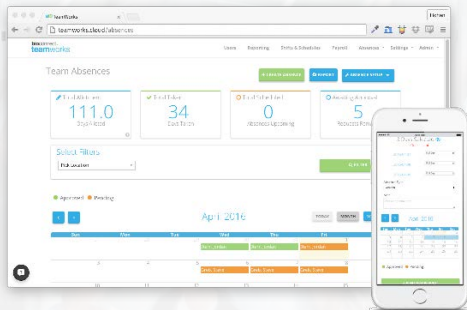

## TeamWorks Time Off

### Absence Management

Employees can request time off, view allotted absences, absences taken, pending requests and remaining time off.

Managers can make informed decisions about staffing requirements with the calendar view, which can be filtered by employee, department and location.

Gain real-time insight into your team and eliminate manual processes that are slowing you down by costing you time and money.

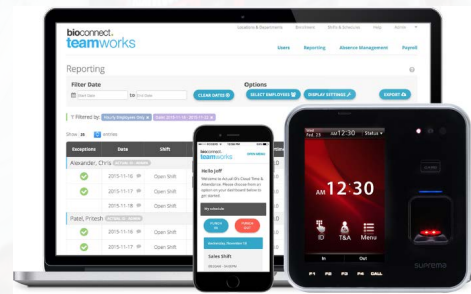

## TeamWorks

### Absence Management

### Scheduling

### Attendance Tracking
