## Science and Technology Internship Program - Green Jobs Participant Information Form (Form 1 of 3)

The information you provide on this form is collected under the authority of section 7 of the Department of Natural Resources Canada Act for the purposes of determining your eligibility to participate in the Science and Technology Internship Program - Green Jobs under the Youth Employment and Skills Strategy Program.

Participation in the Science and Technology Internship Program - Green Jobs is voluntary. Refusal to provide information will result in you not being eligible to participate. The information you provide may be used and/or disclosed for policy analysis, research and/or evaluation purposes. However, these additional uses and/or disclosures of your personal information will never result in an administrative decision being made about you.

Your personal information is administered in accordance with the Department of Natural Resources Canada Act, the Privacy Act and other applicable laws. You have the right to the protection of, and access to, your personal information, which is described in the Personal Information Banks ESDC PPU 706. Instructions for obtaining this information are outlined in the government publication entitled Info Source, which is available at the following website address: <http://www.infosource.gc.ca>. Info Source may also be accessed online at any Service Canada Centre.
